Lack of Rain Fails to Ruin Gala

In the Village,
for the Village,
Children First

This year's Gala Day was again a very successful event. We were fortunate to have good weather all day and we even had a big screen to show the England World Cup Quarter Final. Shame about the result!

The traditional parade of floats and walkers through the village would not be possible without the considerable effort of all those who entered in creating the costumes and building the floats. Once again we were not disappointed and we had a wonderful parade to start our Gala Day. Congratulations are due to Isleham Cubs for their winning Pirates of the Caribbean float.

Ed Mayall

The Winning Float: There'll be no shiverin' timbers in this heat!

Congratulations also to the Gala Queen Lilly Coo, the Prince Caleb Long and the Princess Lola Harris. They all looked marvellous and had a great day.

Our guests from Nesles, who were staying with the Isleham Twinning Organisation this weekend, also joined in the fun and entered the parade.

Bet Palmer leaves the opposition standing

There were impressive displays in the Main Ring throughout the afternoon from the Glen Morrison Pipe Band, the Soham Fenlander Majorettes and the Kuk Sool Won Korean Martial Arts display team and our thanks go to them.

The High Street Baptist Church put on a superb experience for children of all ages and fans of the Land of Narnia entitled 'Beyond the Wardrobe'. A tremendous (sorry!) amount of work went into creating the display. Well done.

The children's races and wheelbarrow races were again very popular and well organised by Mark Goldsack. If they seemed to be completed a bit quicker this year it may have had something to do with the organisers wanting to watch the football!

The Electric Buggy Race for the Arthur Whitehand Memorial Trophy was won this year by Bet Palmer.

The Children's Fun Run around the village completed the races. Congratulations to all those who took part and thanks to the marshals and helpers for assisting the runners on a very hot afternoon.

The Fun Dog Show was busy despite the hot conditions for the dogs. Our thanks are due to Jackie Riley for organising the event and to all the owners for looking after their dogs so well in the hot weather.

Time for Change at the Informer

Firstly, can I forward many apologies to the School PTA for missing their article in the last issue. Sorry!

While I have greatly enjoyed the time I have spent putting together the Isleham Informer over the last two years, I feel that the time has come for me to pass the lion's share of my work onto someone else.

So - you know what's coming next - is there anyone who would be willing to take on at least some of the editing and layout for the Isleham Informer? You would need a computer but experience is unnecessary and full training and software would be provided. And the rates of pay are not to be sneezed at. (Or even seen.) Please contact me (Ed Mayall) on 01638 780839 or emayall@onetel.com if you might be able to help at all.

Contributions for the next issue should arrive by 9th November (Happy Birthday Stephanie!), either at my email, or to 94 The Causeway or 32 East Road.

NEW ADVERTISERS

advertising in the Isleham Informer.

Isleham WI

Our Summer Outing on June 8th to the Corn Exchange to see 'Seven Brides for Seven Brothers' was enjoyed by all members who went. Our thanks go to Denise for again coming up trumps.

The July meeting saw Jean Coxall (Cambridge WI Chairman) joining us to debate the rise in subscriptions next year. The meeting was a little heated, so we were pleased when it was time to invite our speaker, Chloe Aldam, who gave us an insight into the Bowen Technique. After refreshments Chloe judged the competition.

July also saw us gaining 2nd place at Gala Day. Our float was The Royal Garden Party, I hear they are all waiting for their call-up papers. With the weather on our side I understand refreshments went well, so thanks to all of you who helped in any way.

At our August meeting, Paula Dolan spoke on hairdressing.

September 14th is our Harvest Supper when we will have a ploughman's supper of course, with desserts and a cuppa. The competition is 'An unusual shaped vegetable'.

October 12th is Members' Night. Sorry, but the Committee members do not know who the speaker will be; this is the one meeting that members run.

November 9th – yes ladies it's Wayne Bailey but doing 'wrapping with a difference' this time. Just in time for Christmas pressies, hopefully Wayne will show us how to get sellotape in the right place! Competition is 'A decorated small box.'

December 14th – it's that time again, ladies, dust off your party hats, bring your singing voices and come and enjoy yourself at our Christmas Party.

We meet every 2nd Thursday in the month at the Village Hall at 7.45 pm. Everyone is always welcome.

Sri Lanka Appeal

On Saturday July 15th I had the pleasure of hosting a summer concert in the church given by the Aquarius Singers from Bury St. Edmunds. The evening was organised as a fund raising event for my Sri Lankan, Chaini Tsunami Appeal and, including additional donations I have received from those unable to attend, the final amount raised was a princely £610.44.

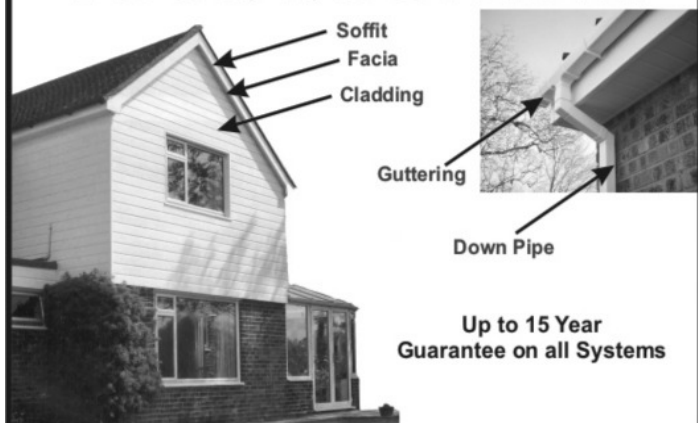

I would like to take this opportunity to thank all those who attended and, in particular, everybody who gave their time so generously to make the evening both highly enjoyable and profitable.

Many of those who attended have asked me to convey my thanks to the Aquarius Singers who entertained us all royally with a programme ranging from Gilbert and Sullivan to West Indian calypsos.

The proceeds of the evening have taken the overall funds raised in the last fifteen months to over £5000, all of which has or will go directly to the refugees of the Boxing Day tsunami in the Galle area of Sri Lanka.

The Fancy Dress Competition, Baby Show for Girls and Boys and Mini Mr and Miss Isleham were held in the Small Ring and were again well attended. More entries in the Fancy Dress from the floats and parade next year please!

The Handwriting Competition for Children at Isleham Primary School and the Art Competition were displayed in the Village Hall and well done to Isleham PTA and to Barbara Murfitt and Pauline Wynne for organising and judging this year. The standard of entries were extremely high.

The Nesles Contingent, plus a few locals

Once again the WI provided a marvellous selection of home-prepared food and drink in the Village Hall. They provided a welcome relief for everyone on the day.

The Fruit and Veg Show, the Flower Arranging, the Home Baking Competitions and the Scrap Model Challenge were on display in the Competitions Marquee. We had a lot of entries and thanks also to our judges. We did notice that some of the Home Baking entries disappeared during the football match!

The jousting, mini-assault course and giant slide were as popular as ever this year as were the more traditional fairground attractions. The Gala Committee will always welcome suggestions for other events or rides.

There are of course many people and organisations we need to thank and they are mentioned on the attached list. Our apologies to those that we may have missed.

We would not be able to hold our Gala Day without the generous support of our many sponsors and of those who donate prizes to our Grand Draw. The Gala does cost a considerable amount of money to stage and our thanks go to all of those who are involved with the fundraising.

Finally we would like to gratefully acknowledge the help of all those who helped set up and clear away on the day itself and to the members of the Gala Committee who have planned and organised the event in the months beforehand. We are always looking for new ideas and new faces on the Committee. If you would like to help with next years Gala then please come along to our AGM, which will be held in The Comrades Club at 8pm on Monday 9th October 2006.

CHILDREN'S PLAY AREA A meeting was held on 21st June re new play area. Two Parishoners attended the meeting and expressed their concerns about the state of the current play area.

Suggestions for improvement of the play area include having the trees lopped back, Mural on back wall of village hall or on the bins, matting replaced with woodchips, put circular bench seat around central tree and remove three bouncy toys. It was suggested that it might be good to have manufacturers out to advise on play equipment

and to look at more activity type equipment. A kickball wall has been suggested however this has been considered before but not accepted by the recreation committee.

It was agreed that a meeting be arranged for September/October for the village and all clubs that use the recreation ground to discuss what is needed, possibly looking at moving the cricket square and the play area, adding a few picnic tables etc.

WICKSTEED report play equipment covered with algae and bird mess the equipment needs pressure washing, and repair or painting. Works should be carried out over a 12-24 month period. The gate is unsatisfactory. Lots more barbed wire required to keep teenagers out.

ISLEHAM SOCIETY RIVER TRIP

Thursday 7th July, 2006-07-30

Every summer the Society arranges an outing or two and this year was no exception. The glorious hot weather in July gave a promise of a very pleasant evening trip on the Cam starting from "The Plough" at Fen Ditton, with something to eat and drink there on our return. As arranged, all 27 members who had 'signed up' for the outing duly turned up to board the "Rosie", a converted narrow boat, for our river trip. We were due to leave at 5.30, but after the heat of the day a spectacular thunderstorm raged and the rain poured down. We all sat in an open marquee in the pub garden, with "Rosie" moored nearby, plastic side screens down to keep out at least some of the rain.

The storm raged spectacularly, one ear-splitting 'crack' right overhead being a strike on the nearby church. This cut the electricity to the pub and – because of their alarm system – the gas was also automatically cut off. So, even if we got away – and returned – our evening meal was seriously in doubt!

By around 6.00 pm the rain had eased off and the thunder had moved on. By then ten of our group had decided to 'jump ship' and just seventeen of us boarded the "Rosie". The side curtains were rolled up, dry cushions were provided for everyone and we set off towards Cambridge. Tea and/or coffee was served and we began what turned out to be a thoroughly

enjoyable 2½ hour trip. It could have been a brighter evening but at least we had no more rain.

Seeing the countryside – and part of Cambridge – from the river was a new experience for many of us, enhanced by an interesting commentary on the history, the people and the wildlife of the places we passed. The wildlife was confined to ducks, moorhens and swans, which we fed with pellets thoughtfully provided, but the kingfishers did not appear. They are nesting in a bank close to the Victoria Bridge, right opposite the new riverside apartments but though they had been seen that morning, they were not around as we passed.

We passed the college and city boat houses and turned at the lock at Jesus Green. Tourist boats can run along The Backs in winter but not, because of the summer trippers in punts, between May & October.

The evening remained dry, but with rumbles of thunder in the distance. The sun did put in a pale appearance as we wended our way back to Fen Ditton. Scullers, the occasional 'four' or 'eight', pedestrians on the banks, boat dwellers all waved cheerfully.

The pub kept in touch by mobile phone. Our suppers – ordered in advance – depended on the gas being restored! The technician who was called out to turn the gas on again had arrived and was working on the problem. He was given a bit of extra time to complete his work, for some eight hundred yards from the pub mooring, the barge motor failed! An electrical fault

meant that the engine would not start. We drifted slowly and quietly with the current into the reeds. The gallant crew then poled us across to the tow path, which is on the opposite bank to the pub, leapt out and, with the aid of two of our party hauled the "Rosie" back, stopping opposite 'The Plough'.

Passing rowers were highly amused by our predicament – but no one offered a tow. The 'bow thruster' was forced into action – just by using the battery – to help get us across the river and we finally tied up alongside, to find that gas and electricity had been restored and food and drink were available. The pub staff were very welcoming and accommodating and not too put out by the cancellation of ten orders. Those who 'jumped ship' will never know what they missed !

Altogether the evening was a happy – and unforgettable – outing, a real taste of "messaging about in boats". Our thanks to Angela Stubbins for arranging the trip.

Joyce's Corner: The Boat Trip (Not on the Q.E.2)

Our Society had booked for a river cruise
The day was hot and sunny.
But alas it turned out differently –
The weather changed and turned quite funny.

The thunder roared and the lightening flashed,
Heavy rain made big puddles on the grass.
We ran for shelter to a big marquee
And hoped the storm would soon pass.

After quite a while the sun appeared
So we made our way to 'Rosie'.
On board they welcomed us with tea,
The cruise was comfortable and cosy.

We saw parts of Cambridge, river boats and swans
The kingfishers were rather shy, and the light was rather dim.

Just ten minutes from home the boat conked out,
We thought now folks it's sink or swim.

Some of our gallant men jumped out to tow the boat along.

They got us back safely – but on the opposite bank.
With punting poles and broomsticks they pushed us safely over

We nearly squashed a duck, but at least we never sank.

By now we were all starving hungry.
We knew by phone the storm had cut off the power.
As our trip and breakdown had taken so long
The electrics were back on in an hour.

Safely back in the pub we enjoyed our meal
In a nice friendly atmosphere.
We all agreed we had had a good laugh,
And would do it again next year.

High Street Church

All are welcome to our Sunday services throughout the year: **10.30 am morning worship.** All ages are very welcome from the very young to the very old. The children have their own activities. **6.30 pm evening fellowship.** A less formal service usually with opportunity for individual sharing. Come and hear about God's goodness! Tea, coffee and good conversation are available after both the morning and evening services!

On Sunday mornings the following children's facilities are available: **Crèche** is available for babes and tots up to 3 years old: the crèche workers are very experienced and provide a safe, fun playtime for the little ones. **Junior Church** for those who are aged 3 to 7 is a fun-filled session with singing, crafts, drama and stories. At the Village Hall the older **Junior Church** meets — children who are 7 to 11 years old. (That's the noise you've heard from the hall on a Sunday morning!) Their morning starts from 10.00 with a craft

followed by a wide range of activities encouraging the children to discover the Christian faith for themselves. We would love to see some new faces and visitors would be made very welcome! **Nikao** is the name for the 11 to 14 year olds and on a Sunday morning they receive teaching that is relevant to pre-teens/teenagers. On a Friday night this group meet socially and have a lot of laughs!

Other Activities during the week:

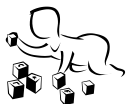

Our **Rendezvous** group — for the more mature amongst us — meets every Tuesday afternoon at 3 pm. Between 60 and 70 of us enjoy this time together each week but new faces are always welcome.

Luncheon club is for those of retirement age and happens once a month on the second Wednesday from 12–2 pm. An excellent meal for just £1.20 not to mention the great company! Numbers are limited for this but please contact us if you are interested.

For anybody who would like to come along to either of these groups there is free transport available where necessary.

Perhaps you'd like to be kept informed of any outings we arrange, or you need help to complete some paperwork such as benefit forms, or perhaps you don't know who to ask for help with transport for hospital visiting. Please don't hesitate to ring - we'd love to help if we can. Contact Kathryn 01638 780652 or the church office.

Little Lambs caters for the other end of the age range. This mums' and toddlers' group takes place on Friday mornings during school terms. (9.15–11.15 am). All are welcome and it's free! Mums/carers come and chat over a coffee while the children play. New mums/dads/grandparents/carers are always welcome — come along and join in the fun. If you'd like to know more contact Sharon on 01353 720399.

Alpha is well known throughout the country as an excellent course for those wishing to learn about the Christian faith and we plan to have a new course starting on Tuesday September 12th. The first session is an introductory meal with a brief presentation on the theme 'Christianity: Boring, Untrue and Irrelevant?' This is the perfect opportunity to ask all the questions you've wanted to ask but have never dared — the evening sessions are relaxed and open with conversation over a good meal as well as discussion groups. Why not give it a try? Contact Steve in the church office for more info.

Thanks to all those who visited Narnia on Gala Day — we hope that it brought the film to life for you.

Isleham United FC

Isleham United Football Club operate two teams playing in the BIS Cambridgeshire Football Association leagues. The First Team somehow retained their position in **Division 2b**, despite finishing in one of the relegation places last term, while the Second Team play in **Division 5b** and acquitted themselves well despite a poor start and finish to the season. Full details for last season for both teams can be found on the website (www.islehamfc.co.uk).

The new season will have begun by the time you read this, with training having started on 26th July, always in the rain, it seems! For those who have not yet attended, Training is 7 pm every Wednesday at Isleham Recreation ground. All need to improve their current fitness levels.

PLEASE SIGN ON AT TRAINING.

The **AGM** was on Monday 24th July in the Rising Sun and was well supported. The committee this year is as follows: Chairman, Richard Sheldrick; Vice Chairman, Russell Boneham; President, Patrick Piercey; Secretary, Colin Sheldrick; Treasurer, Cynthia Sheldrick; Committee members, Jon Marks, Jason Timmins and Leighton Sheldrick. **Main issues:**

- Signing on fee for players remains at £5.00.
- Match fees remain at £5.00.
- The Reserves will be getting a new kit kindly sponsored by Geoff Hobbs Transport.

- The Rising Sun remains as the Club's headquarters.
- **Fundraising** is a hot topic and there will be social events, such as a Car Trasure Hunt and a Race Night this season that will hopefully aid team bonding and provide vital funds for the club.

Fixtures

Both sides will be facing some different teams this year and will thus have some new pubs to visit!

The **First Team** will welcome Hemingford Untied, Newmarket White Lion, Wisbech St Mary and Witchford 96 to Isleham this season.

The **Second Team** will play more games than last term, with 15 sides in Division 5b, leading to 28 league games to play in addition to any cup games. So not many weeks off this season! There are a few new sides to face, including the Reserve sides of two teams the first team will play: Lode and Longstanton. After having to endure two tough games atainst March Rangers last season, they will come up against the March Reserves, following their first team's promotion. Dataracks Elite who also play at Cottenham and resume battle against near neighbours Wicken who have dramatically dropped from 1b to 5b in a very short time.
