Some of the pupils from the Peter Pan number at rehearsals

On Sunday 11th November, 37 pupils from the Isleham School of Performing Arts (ISPA) performed at Her Majesty's theatre, London as part of Mardi Gras 'Stars in their Eyes' show, with other theatre schools and celebrities including Bonnie Langford. The event was very exciting and a great experience for all the pupils. ISPA presented two numbers, *Peter Pan* and an *Aladdin* medley, and appeared in the finale, choreographed by Mardi Gras. Pupils and parents raised money for costumes, and local sponsors also provided funds, including Isleham Carrot Growers and the Parish Councils of Isleham and Fordham.

ISPA is currently rehearsing the pantomime *Cinderella*, to be performed on 15th December at Soham Village College, with a performance by the Mardi Gras troupe. For tickets and information please contact Mrs Ruth Bendall on 01638 780260. Simon Bendall, for Ruth Bendall - Principal

Brownies take part in Remembrance

Also on Sunday 11th November, girls from the First Isleham Brownies met at the Priors to take part in the Remembrance Sunday parade, joining other organisations in parading their flag to the War Memorial where they observed a two minute silence. Aimee Cooper was flag bearer, with Shannon Roberts and Nina Smalley as her attendants. Aimee also laid the wreath on behalf of the Brownies at the Memorial. Afterwards the girls attended a Remembrance service in church during which Ella Cooper and Natalie Walker were responsible for taking the collection.

Isleham Brownies are aged from seven to 10 and even though they study World War II as part of their history curriculum they can find the concept of Remembrance difficult to grasp. Discussions about

Photo: Clare Osbourne

what it would have been like to live through or fight in a war, and to be under the threat of invasion saw them begin to understand why people made the sacrifices they did. Attending the parade and service helped them understand the importance of remembering what people went through and try to do everything in our power to try and avoid similar events happening again. From the Editor

It was with great sadness that we learned of the death of our Advertising Manager and – more importantly – great friend, Ian Humphries. While not exactly unexpected (Ian had been ill for some time), the passing of a loved one always comes as something of a shock and our thoughts are with his family. My own father died recently and I have taken the greatest consolation from the fact that while he was with us, he lived a full life and had a deep mutual love for his family. The same seems to have been true of Ian. If only half of the tales with which he regaled us over a pint in the Rising Sun were true, he clearly crammed more into his time than the rest of us could possibly hope to achieve. We miss you, Ian.

We had hoped – as stated in October – that from now on we would have a luxurious 24 pages each issue. Unfortunately, the Parish Council have rejected this increase in cost – for now at least – for the simple reason that there is some £600 owing to the Council in unpaid advertising revenue from the Informer. This is a shame as we are nearly up to 50% full of ads, resulting in some pages having to be ridiculously squished just to get everything in. And it's rather baffling: advertising here is ridiculously cheap and most advertisers are very satisfied with the additional business generated. So, please pay what is due and help save the eyes of parishioners (such as I) who are struggling to read the IPC minutes at present! ■

VILLAGE NOTES

Marathon man

Jonathan Sykes is to run in the London Marathon in April 2008, to raise money for the charity SCOPE in memory of his son, Christopher Jon, who was born in South Africa in 1982, and who sadly passed away before his first birthday due to Cerebral Palsy. If you wish to make a donation please contact Jonathan on 01638 780090 or send a cheque, made payable to Jonathan Sykes CJS SCOPE Account, to him at 25 Sun Street, Isleham.

Festival of Light

As we go to press it looks as if the Festival of Light at St Andrew's Church on 30th November and 1st and 2nd December will have had a record number of Christmas trees. Organiser Janice Pope is delighted and sends thanks on behalf of the Church to all who helped make the 10th Festival a success, and hopes that everyone who visited had a memorable time, whether seeing the trees, sampling the mulled wine and mince pies, or attending the Carol Concert and Taize Service. A review of the Festival will appear in the next issue.

Congratulations to Year 11 pupils

Ms Surge Dhandu, Acting Head, and all the staff at Isleham Primary School, would like to congratulate last year's Year 11 pupils at Soham Village College, who were former pupils from Isleham school, for achieving excellent results in their GCSEs this year. Well done!

Allotments available

Isleham Parish Council has allotments available to rent to residents and non-residents. For information contact the Parish Clerk, Diane Bayliss, on 01638 781687.

Recreation play area

Isleham Parish Council is concerned about the continuing problems at the recreation ground. Recently broken glass and a number of bottles were found in the play area. This is clearly a problem where young children are playing and the Council would ask for your consideration and co-operation in this matter.

Parish Plan

Over the last few weeks, members of the steering group have been gathering the views of Isleham residents. These will lead to the drawing up of a questionnaire that will be distributed to every home, hopefully in February. If you would like further information about the Parish Plan please contact the Clerk Diane Bayliss at islehampc@btinternet.com

Child Health Clinic

Please note the Child Health Clinic will now be held fortnightly at the Village Hall from Thursday 6th December. See *Information* on page 13 for further details.

Housing Needs survey

Enclosed in this edition of the *Informer* is a Housing Needs Survey created by Isleham Parish Council to obtain a measure of the need for housing in Isleham, particularly, but not exclusively, for Isleham Residents. Please take completed questionnaires to the Post Office. ■

New playground equipment

Photo courtesy Ely Standard

Isleham Parish Council is pleased to have received a grant of £11,250 from ECDC towards the cost of new equipment in the play area. The equipment has been installed and an official opening was held with local councillors, children from Isleham Primary School and the press on Monday 29th October.

The equipment was carefully chosen following a consultation with the children in the school and the playgroup and seems to have been very well received.

The Council is applying for another grant which if successful will be put towards the cost of equipment for older children and teenagers.

Chaini Tsunami Appeal update

In September's *Informer* I asked for donations to the Chaini Tsunami Appeal. My aim was to raise £1700 to take to Galle in Southern Sri Lanka, and I outlined my plan to complete a new house for a family made homeless by the Boxing Day tsunami of 2004. I needed £800 to reach my target and I am very grateful to say that the total was achieved thanks to the generosity of so many kind donors. Among the donations was one of £100, delivered anonymously, and I would like to thank that person most sincerely.

Look out for a full update on my trip in the next issue.

Three greats born in six days

It was a week of great celebration for Madge Sheldrick recently, when she became a great-grandmother a further three times in just six days!

On Saturday 3rd November Sawyer Francis arrived, a second child for Madge's grandson Simon Cox and his wife Louise; Robert Leslie was born to grand-daughter Naomi Winter and her husband Mark on Tuesday 6th November, also their second child; and Luke Michael Richard made his entrance on Thursday 8th November, a first child for grand-daughter Paula Sheldrick and her partner Drew Nicholson.

Madge, 90, and her late husband Tommy had five children: Ann, Ray, Richard, Colin and Adrian, who between them have given her nine grandchildren and 12 great-grandchildren in total.

All three babies, their families and their very proud great-grandmother are doing well. ■

Community Centre Update

From the Planning Committee

A revised set of plans for the Isleham Community Centre has been more or less approved, in principle, by our Committee. These plans, accompanied by financial etc. data were recently presented to the Parish Council. The Council needs to give further consideration to our proposals but they were sufficiently confident to readily agree to co-host a Public Meeting (see below).

It should be stressed that at this stage discussions can only be conducted in principle because we need to a: await the imminent Big Lottery decision upon our grant application for £500,000.

b: obtain from a quantity surveyor more accurate costings of our plans

c: assess with more certainty the likely success of applications to other grant sources.

On the subject of possible grant sources, unfortunately

our application to the East of England Development Agency was unsuccessful. As a result we are pursuing other providers such as a Big Lottery offshoot called 'Reaching Communities', and a regional landfill organisation.

I would like to reiterate how hard the Committee is working. No grants are obtained easily. A great deal of data has to be provided, including results from questionnaires completed by the community. Such canvassing for information will almost certainly have to be extended and your co-operation, if sought, would be much appreciated.

Finally, can I ask you to make every effort to attend the forthcoming Public Meeting. It will be your Centre and we very much value your input.

Fingers crossed for a positive response this month from the Big Lottery.

Philip Aspland (Planning Committee Chairman)

From the Fund Raising Committee

At our last meeting we discussed the strategy required for future fundraising, and it was agreed that any events would be encouraged, but that we should aim for three major events a year. The Phoenix Players have offered to put on an annual show with all funds raised going to the ICA. Other major events are currently under discussion. The Committee felt that all 'stakeholders' in the ICA, i.e. groups and clubs that regularly use the Village Hall or Sports Pavilion, should actively promote their own fund-raising events as they will be the first to benefit from a brand new centre!

Some funds have been raised and we would like to thank the cyclists and their sponsors, and also Tom Long at the Griffin who hosted a Race Night raising £500.

If you have an idea for an event please let a member of the Committee know.

Isleham Youth Football: Under-8s

Match report: Isleham v Ely Crusaders (friendly)

Result: Isleham 4 Ely Crusaders 0

Referee: Brian Farr

After much anticipation and excitement, Isleham under 8s first football match got underway on Saturday 20th October. The youngsters all looked very smart in their new strip, which was sponsored by Devonshire House Dental Practice of Cambridge.

Isleham settled into play with ease and put constant pressure on the visitors' goal. Accurate passing between Sam Jelleyman and Jack Cummins resulted in a goal from open play, by Sam. Excellent play by Jude Heffer and Olivia Cafferelli followed, with both having shots on goal. These were thwarted by Ely's defence. Precise tackling by the tireless Dominic Wills and Connor Griffin meant that Ely's forwards were unsuccessful each time they attacked the home side's goal. With coach Jo Harvey making substitutions regularly, Evie Luker and Chloe Hensby were next to contribute to the field of play. James Harvey subsequently increased the scoreline for Isleham by driving the ball into the net from outside the box.

Goalmouth action from within the first 30 seconds of the second half starting meant that Lewis Kent scored the third goal when he followed up on a rebounded shot. Sixty seconds later, Jack Cummins scored goal number four by accurately chipping the ball over the heads of the Ely defence and into the goal. The youngest of the team, Charlie Cummins, displayed outstanding tackling and defending ability, with Thomas Evans in goal concentrating from the start to keep a clean sheet for Isleham.

Rolling subs throughout the match meant everyone contributed to this excellent result.

Players and supporters alike all enjoyed the day (and the glorious weather) and look forward to their next friendly.

Isleham regularly have 25 to 30 children attending training at the Recreation Ground each Saturday morning from 9.30 am to 10.30 am; new players are always welcome. ■

Women's
Institute

Women's Institute Autumn 2007 report

October's meeting was Member's Night at the WI, when the committee takes a back seat and members organise the agenda. Star of the night was Margaret Plested, who, despite moving to Lakenheath, still found time to organise the evening with Christine Hewitt, who unfortunately couldn't attend.

Our speaker was Wayne Bailey, who entertained us by demonstrating some unusual ways to pack and decorate your Christmas parcels. It remains to be seen how many of the presents at the Christmas party will be wrapped in black plastic bin liners!

Wayne also demonstrated some flower arrangements, which were lovely, and was kind enough to donate two of them for our raffle. His *pièce de résistance* was a Christmas tree for the 21st Century, which would be a talking point in anyone's home.

After the demonstration, Margaret tested our powers of observation with a selection of pictures taken around Isleham. It is amazing how we pass things every day and then cannot place them. A really good quiz.

Our speaker in November was Emma Downey who brought along a wide selection of goodies in the Virgin Vie range for members to peruse.

Our members continue to take advantage of the

many outings organised by the Cambridge Federation. A day at Felbrigg Hall at the beginning of October was followed by a visit to Ely Cathedral for the *Son et Lumière* later in the month.

In November several members went to explore the Fitzrovia area of London, and the Robert Opie Museum. We also entered a team in the WI Quiz at Cottenham – they didn't win, but had a very entertaining evening.

Our Christmas Party is on Thursday 13th December. Members are welcome to bring along a friend to join in the festivities.

If you would like to come along in the New Year, new members are always very welcome. We meet on the second Thursday of the month in the Village Hall, at 7.30 pm for 7.45 pm. For further details please contact Glenda Preece on 01638 780734.

Isleham Women's Institute supports the new Community Centre

Are you getting ready to sort out your children's toys and books before Christmas? Have you got games they have grown out of, that you could pass on to others?

The WI will be holding a Spring Fair to raise funds for the new Community Centre. If you have anything you want to get rid of to make space before Christmas, give me a ring and I will come and collect it.

PLAY AREA REPORT

Work on the new play area has been postponed until 10th September. Re: extra surfacing – it did not seem appropriate to use further funds to improve the play area when it is likely to be moved in the near future.

CORRESPONDENCE

A letter was received about the possibility of building 14-20 affordable houses on land at Beck Road, Isleham. The Parish Council would like to purchase this site to be used partly as a rural exception site and the chairman will be contacting someone from the County Council with regard to buying this piece of land.

COUNTY COUNCILLOR'S REPORT

There was no report from the County Council.

DISTRICT COUNCILLOR'S REPORT

- ECDC have awarded a new waste contract and Isleham will stay with weekly collections.

ALLOTMENT MATTERS

- A meeting with allotment tenants will be arranged for 7 pm to discuss the possibility of having water on the allotments.
- Several hedges in the village are overgrown: the clerk will write to the Lady Frances Peyton Charity (Station Road), Michael Clarke (The Causeway), The Lady Maynard Charity (Waterside) and the County Council (Hall Barn Road).
- Screening at the Industrial Units on Hall Barn Road is due to be completed by November.

MODEL PUBLICATION SCHEME

It was proposed by Cllr Mrs Malkin and seconded by Cllr Carter that a £20 charge be imposed for non-parishioners requesting written information or copies of documents from the clerk.

LATE SUBMISSIONS

- A letter of complaint has been received about an incident on the recreation ground. The chairman and vice chairman will visit the person in question.

Apologies Cllrs Bishop, Beckett.

PLANNING APPLICATIONS

- Conversion of existing barn to house extension to provide additional accommodation at Spurgeons Barn 5a West Street Isleham for Mr and Mrs Henderson – no objection.

- Outline permission for one dwelling at 92 The Causeway for Mr and Mrs Wells – objection on the grounds of overdevelopment of the site.
- Two storey extension at 1 Fordham Road, for Mr and Mrs Wells – no objection.

PLANNING APPROVALS

- Conversion of existing Barn 5a West Street, Isleham for Mr and Mrs Henderson.
- Single storey agricultural storage shed (retrospective) at 1 Fen Bank for J M & M A Thompson & Sons.

Apologies Cllr Neal, Cllr Garbett, County Cllr Powley, County Cllr Broadway.

VILLAGE HALL REPORT

- The committee have purchased two second-hand steel storage cabinets and they have been delivered and are in use in the cupboard at the village hall.
- Quotes are being obtained to paint some areas in the hall – ladies', gents' and disabled toilets and the kitchen. It is hoped the work will be carried out prior to the Phoenix Players production in December.
- Roof wire – having looked at the possibility of making a steel frame it seems that this would be an expensive option. Further enquiries need to be made as to whether or not razor wire can be used, so this matter will be deferred to the next meeting.

CORRESPONDENCE

It was agreed that the Parish Council will fund a four page special edition of the *Informer* to promote the building of the new Community Centre.

COUNTY COUNCILLOR'S REPORT

The Fenland Flier is due to cease at the end of August 2008. The service has been funded since 2003/04 by the post-16 Transport Partnership grant from government, which ceases in August 2008.

The District Councillor has challenged the Transport & Access Group to see if they could actually try and do something about the Fenland Flier. Officers from County Council are re-assessing what can be done.

NEIGHBOURHOOD PANEL

- The Neighbourhood Panel was held on Wednesday 3rd October at Chippenham Village Hall.
- There is a capital budget available from the County Council for transport and access across the county. As Fordham and Isleham have no immediate projects a request will be made to look at widening some of East Fen Road to make more substantial passing places.
- 2 Church Street – This is an ongoing process and although not much can be said at this stage, progress is being made.

CEMETERY & CHURCHYARD MATTERS

Bowls Club report

The Bowls Club enjoyed a varied summer battling not just against opponents but also against the disappointing weather (shame we didn't start the season at the beginning of April!).

The sport is currently trying to address a serious drop in participants nationwide and the men's and ladies' national associations will merge to become Bowls England with effect from October 2007. It is an ideal sport for both husbands and wives to get involved with, so if you have a few spare evenings next Summer why not give us a try! More details to follow in the Spring Informer.

The ladies once again led by example and clinched the Ely and District Ladies' League with a match to spare and in the mixed afternoon league, we beat Sutton in the final of the Division 2 k.o. cup. The men's team had a well below average season, eventually finishing 6th in the league but also had a very disappointing set of cup match results.

A team of nine ladies and gents also won our 'own' invitation cup by defeating Histon, Milton and Southery in the final.

In the internal club championships, the finals played over two weekends in September were won as follows:

Men's Singles: Barry Clarke

Runner up: Michael Bartlett

Ladies' Singles: Sylvia Pinder

Runner up: Celia Clarke

Handicap Singles: Paul Norman

Runner up: Herbie Beckett

Pitcher Memorial Singles: Robert Burling

Runner up: Barry Clarke

Club Pairs: Vic Jugg and Barry Clarke

Runner up: Bob Mitchell and Robert Burling

Club Triples: Doreen Raven, Ann Cant and Robert Burling

Runner up: Vic Jugg, Celia Clarke and Brian Pope

Husband and Wife Pairs: Celia Clarke and Barry Clarke

Runner up: Heather and Keith Munns

Tenrich Trophy: Ken Brown and Barry Clarke

Runner up: Diane and Herbie Beckett

Telfer Trophy: Robert Burling

Runner up: Brian Houghton

During the winter the Club has two teams that play in Divisions 1 and 3 of the East Cambs Carpet Bowls League, which is due to start mid-September. We also have our own Triples League on a Friday evening for Club members.

There are a number of events held by the Club over the winter and many are open to all to attend. Christmas Bingo will take place at the Bowls Club on Monday 10th December. Please look out for posters in the village to find out more details. *Barry Grimwood, Club Captain*

The Isleham Society

We have enjoyed three visits this autumn. The first, organised by the Mildenhall Historic Society, was a 'Fenland Visit' led by Mike Petty who, as ever, was a fount of local knowledge. We visited many villages and learned something new about every one. We spent some time in the museum at Lancaster Industrial Park, outside Ely, dedicated to the crews of those bomber squadrons who flew from there during WWII, and we had an enjoyable pub lunch at Denver Sluice.

Our second visit was an evening tour of Waitrose in Newmarket, where we were shown something of the organisation behind a big company.

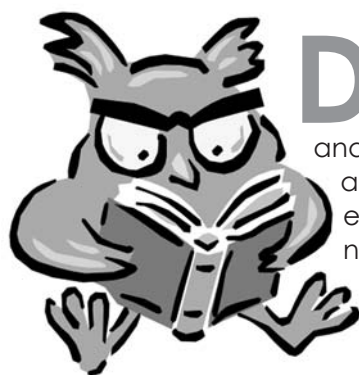

Our next visit, on 15th November, was to Welney Wildfowl Trust for the floodlit evening feeding of the swans and other wildfowl.

We have no meeting in December, but our first meeting for 2008 will be in the Village Hall at 8.00 pm on 17th January. Vernon Place, our Chairman, will present more of Arthur Houghton's slides of old Isleham.

On February 21st the speaker will be Andy Malcolm talking about the Fishermen's Mission, and the third meeting of 2008 on March 22nd will be a talk by Robin Page, sure to be both interesting and thought-provoking.

We believe that we have a wide selection of interests and talks and invite you to come along to the friendly meetings – third Thursday of every month in the Village Hall at 7.45 for 8.00 p.m. Come along as a visitor to a meeting that interests you – we ask only for a £2.00 contribution – and if you like the company and what you find, you can join as a permanent member. Further details from Beryl Powys on 01638 780519.

Isleham Book Club

Do you enjoy a good read? Would you like to discuss stories and characters and plots, meet writers and authors, and go to literary events in our area? Then why not come along and join the Isleham Book Club.

We meet once a month, in each others' houses, mostly in the village, in the afternoon, to discuss our current book choice. Of course, tea and cakes are also on offer.

As a group we also go to literary lunches, signings and other book-related events, and to meet authors, organised by Toppings Book Shop in Ely.

For more information, details of our next meeting and current book choice, contact Pauline Wynn on 01638 780802 or Deidre Deller on 01638 780544.

JOYCE'S CORNER Christmas Past

When winter comes and it starts to snow,
We think of Christmases long ago.
How we loved playing in snow and sleet
But always got hot and aching feet.

Mum made the Christmas puddings, we all had a stir.
Gran made us mince-pies, a present from her.
Silver three penny bits were put in the pud.
Then we only got one if we had been good.

The carol singing was so much fun.
We all went together, more noise than with one.
We mostly had biscuits, a bun or a sweet.
Or a small bar of chocolate was really a treat.

Before the end of the Christmas term
A party was held for the kids that learn.
A visit from Father Christmas was nice.
Who brought you a popgun or some sugar mice.

Christmas Eve was an exciting time.
Our stockings were all hung up in a line.
We'd get an apple, an orange, nuts or a toy.
Maybe a box of paints for a good girl or boy.

A lovely coal fire to warm your feet
When you went down in the morning
you could feel the heat.
The cockerel was roasting,
the pudding was steaming.
The mince pies and crackers were enjoyed
in the evening.

Time has passed: we look back through the years.
We forget all the hard times, the troubles and tears.
We still love the carols that the choirs now sing,
And look forward to see what the New Year will bring.
Joyce Drayton.

We would love to see some new faces and visitors would be made very welcome! **Nikao** is the name for the 11 to 14 year olds and on a Sunday morning they receive teaching that is relevant to pre-teens/teenagers. On a Friday night this group meet socially and have a lot of laughs!

Please don't hesitate to ring - we'd love to help if we can. Contact Kathryn 01638 780652 or the church office.

PTA News

Autumn term is always very busy for the PTA with many events and activities. Our AGM was on the 26th September and had an excellent turnout (perhaps down to the lure of cheese and wine!). A new Committee was elected, with Lesley Ann Thompson staying on as Chair. Marianne Corbin, who has done a wonderful job as Treasurer over the past year, has stepped down and Emma Robinson is taking on this role. A full Committee list will be displayed on the School notice board.

Christmas Fair

The Christmas Fair will be held on Friday 7th December at 6 pm. The Grand Draw is one of our biggest fundraisers, so please support us by buying tickets from the Post Office. If you are able to sell tickets on our behalf to friends or family, they can be obtained from Mrs Barrett in the School office.

This year's fair promises to be bigger and better than ever. We are delighted to announce that, for the first time, we will be welcoming external stall holders giving you a great opportunity to do some Christmas shopping with The Body Shop, Phoenix Cards, Thompson's Farm Shop and others selling gifts and jewellery. In addition to the usual fun and games there will be new activities for the children, including a Cinema. Once again there will be burgers and hot dogs and other refreshments on sale in the Christmas Café, including mulled wine and home-made cakes. And of course Santa will be in his magical grotto! We do

still need donations of home-made Christmas cards, jams and chutneys. If you are able to donate, please contact the School office. We look forward to seeing you there!

Quiz Night

Look out for more details of our annual Quiz Night to be held next February. This is always an enjoyable evening and last year we saw a record number of teams entered! Please come and support us and have some fun at the same time.

150 Club

Thank you to everyone who supports the School by joining our 150 Club every year. We are making some changes to run it in line with the school year, so we will have a Club running from January to June, then start again in September 2008. More details soon.

Sports vouchers and Recycool

We are still collecting Tesco Sports Vouchers so please remember to save them for us. These schemes enable us to make a big difference to our School by providing much-needed sports and playtime equipment.

Also please carry on donating your old mobile phones and printer cartridges. The school joined the Recycool scheme during the Summer term and has had a terrific response. This not only raises money for the PTA but also encourages children to think about recycling and caring for the environment. For more information go to www.recycool.org.

Guide Leaders needed

1st Isleham Guides need new leaders for September 2008

1st Isleham guides have been running for 10 years. The current leaders Emily Radcliffe, Nikki Farr and Kathy Carver have decided that this will be their last year in the role and are looking for volunteers to take over.

Guiding is a game with a purpose

The new Leader's aim is to help ensure that girls in the village are provided with opportunities to develop their confidence and skills, as well as have lots of fun. We have consistently had 20 to 30 members at our meetings, held on alternate Wednesdays in the St Andrew's Church Social Centre. Activities are varied with lots of resources to support you.

As a Leader you can take an active part in some of the fun and exciting activities yourself. Or if, for example, abseiling is not your cup of tea, you can simply organise activities for the girls and watch them enjoy it to the full.

As a volunteer you'll also gain from the experience by making new friends and learning new skills, such as leadership and organisational abilities, that you can use at work and put on your CV.

We feel that it is now time for new people to step in and bring in new ideas and challenges for the girls. If you join us we will help with your training and support you. For more information please contact Kathy Carver on 01638 781116, Emily Radcliffe on 01638 780831 or Nikki Farr on 01638 780375.

A letter from ADeC

East Cambridgeshire District Council proposes to cut ADeC funding by £70,000

Dear Members, Volunteers and Supporters

Thank you all for the fantastic support we have had so far: not only has it helped keep this issue in the public eye and at the front of Councillors' minds, but the letters and emails have really helped the staff realise how much the work they do is valued.

The next phase of our campaign is well under way: the decision taken at the Community Services Committee last month is now going to the Council's Overview and Scrutiny Committee, which can decide to send it back to Community Services for a re-think.

These few days are going to be crucial and again I would like to ask you to please: write to or email your own Councillor again, and also write to the local papers, the Ely Standard and Ely Weekly News.

Sincerely and with thanks,

Jane Wilson,

Director ADeC, Babylon Gallery, Waterside, Ely
