

Wreckers - at last!

Those among us gifted with a prodigious memory will be able to recall the long hot summer days of 2009 and the presence in the village of a film crew who were making the most of Isleham's photogenicity as a backdrop for a

feature film. The results of all this intense labour are finally about to be available for public viewing!

There will be a special screening of Wreckers for all of you who helped and hosted the filmmaking team, and for anyone local who will find it of interest. The screening will take place at the Jubilee Centre, Mildenhall, 8.00pm on Saturday 12th November. Doors open at 7.00pm for tea and cake with the director! All are welcome but please let Dictynna know if you are coming so she can reserve you a place: her email is dictynna@googlemail.com. This is a free screening; we will be making a collection for Combat

Stress, a charity that helps vulnerable ex-servicemen and women. Please note that the film is not suitable for children. The *Wreckers* team sends everyone their best and has very fond memories of their time in Isleham!

WRECKERS

(2011. 86 min. Cert TBC) Wreckers stars Claire Foy (above left - seen in Little Dorritt, The Promise), Benedict Cumberbatch (above right - Sherlock, Tinker Tailor Soldier Spy) and Shaun Evans (Being Julia, Boy A).

VILLAGE NOTES

The Parish Council have provided a number of dog bins around the village – please remember to clear up after your dogs.

Allotments available to let. Contact the Parish Clerk Mrs D Bayliss 01638 781687 for more information.

Christmas Fayre

BECKen Charity is holding a Christmas Fayre on Saturday 26th November, from 3.30pm, at Lidgate Farm.

This will be held in the barn. We will have Santa's Grotto, many stalls, Christmas hampers and gift packs. Mulled wine, hot soup and rolls, tea and cakes. Pitches will be available for hire at $\pounds 5$. Please contact us for further info or to book one. There will also be musical entertainment. Come along and get into the Christmas spirit.

For more information call Chris on 07990 542872/01638 780257.

Join us for a monthly breakfast/coffee/latte/cappuccino group for fun, conversation and sharing our questions of life, faith and parenthood - all welcome!

Dates: Fridays 30th September, 14th October, 18th November, 9th December (time TBC) from 9.15 (after the school run) at La Hogue Café, Chippenham. Babies and toddlers welcome. (La Hogue has great play equipment, highchairs, children's menu etc.)

For more info: Helen Banyard - 721616; Kate Peacock - 723960; www.threerivers.org.uk

Continued on from Front Page

Wreckers is the first feature film from writer/director D.R. Hood, and is produced by Simon Onwurah. Wreckers was filmed in London and Isleham back in 2009, and – as is the way with low-budget work – has just been completed. Happily, the actors have done very well since filming Wreckers!

The film will be released in the UK by Artificial Eye with Content Film as international sales agent. We are delighted to announce that Wreckers world premiere will take place on 16th October at the 55th BFI London Film Festival, with further showings on 18th and 21st October. UK theatrical release and day-on-date release with Curzon on Demand are planned

for December 2011. This means that from December you will be able to 'stream' the movie on your computer if you have broadband.

http://www.bfi.org.uk/lff/films/new_british_cinema/1850 www.facebook.com/wreckersthemovie http://www.curzoncinemas.com/film_on_demand/

WRECKERS - SYNOPSIS

What lie will you live?

Dawn (Claire Foy) and David (Benedict Cumberbatch) have moved back to the village where he grew up to start a family. Their relationship seems idyllic, but getting pregnant is proving difficult and adding to the strain of building their perfect home.

Out of the blue, David's younger brother Nick (Shaun Evans) appears. A soldier on leave, Nick sleepwalks and is prone to dark moods, yet Dawn is affected by her

brother-in-law's vulnerability, and they start to spend an increasing amount of time together. Gradually, buried incidents from the brothers' shared history start to reveal themselves, forcing Dawn to confront the question of whether she really knows her husband at all.

"Featuring compelling performances from an exceptional cast of young actors, and evocatively filmed in lush fields, eerie churchyards and desolate rural houses, the debut feature from D.R. Hood is a haunting tale of secrets and lies in the English countryside." (Michael Hayden – London Film Festival programmer).

CAST

Claire Foy – Dawn

Claire came straight out of drama school to play Amy Dorritt in the BBC's Little Dorritt and then starred opposite Nicholas Cage in Season of the Witch. Most recently she

has starred in Channel 4 mini-series The Promise, directed by Peter Kosminsky, followed by Nightwatch and the upcoming White Heat for the BBC.

Benedict Cumberbatch -David

Benedict's prolific career includes Atonement, The Other Boleyn Girl and, most recently, Sherlock Holmes in the BBC's Sherlock with Martin Freeman, and roles in Spielberg's upcoming Warhorse and Tinker Tailor Soldier Spy. He has also just starred in Danny Boyle's acclaimed Frankenstein at the National Theatre.

Shaun Evans - Nick

Shaun starred in *The Take* with Tom Hardy, and played Annette Bening's young lover in *Being Julia*. On stage he was a brilliant Kurt Cobain in *Sid*

and Kurt in the West End; he has just been cast as the young Inspector Morse in the prequel to the series.

Peter McDonald - Gary

Peter starred in BBC Films' When Brendan Met Trudy. On stage, Peter starred in the Old Vic's Dancing at Lughnasa, and played opposite Jonathan Pryce in The Caretaker last year. Peter has also recently directed award winning short film Pentecost.

Sinead Matthews - Sharon

Sinead starred with Daniel Mays in Half Broken Things; she was Miss Cliff in The Boat that Rocked. She starred in the BBC's In Love with Barbara, playing the young Barbara Cartland. Sinead is also an accomplished stage actress, most recently seen in the National Theatre's Our Class and Mike Leigh's Ecstasy.

PRODUCTION TEAM

D R Hood - Writer/ Director

Hood directed multi-award winning short films *The Other Man* with Anna Maxwell Martin (Edinburgh Short Film Award 2006) and *Journey Man* with Ruth Madoc, which showed in festivals worldwide after its London Film Festival premiere, won many awards and had UK cinema release. She was a selected writer on Warp Films' Re-Animate scheme 2010. Her twisted rom-com *Over and Under*, was recently a finalist for the iFeatures scheme.

Simon Onwurah - Producer

Simon has produced across many genres, drama, factual and entertainment, including the Royal Television Society award winning Who Stole The Soul? (BBC). Simon has produced work for national and international networks including BBC, C4, More 4, ITV, Five, HBO, PBS and M-Net. He is working with Hood on their next project, comedy feature Over and Under.

Annemarie Lean-Vercoe – Cinematographer

Annemarie studied cinematography at the National Film and Television School where she won the Kodak Student Commercial Award in Cinematography. Recent projects include shooting a section of Michael Winterbottom's feature Seven Days and shooting on feature docs Erasing David and Moving to Mars, directed by Mat Whitecross.

in the fully flagged Social Centre garden (thanks Walter!) and the wonderful array of homemade cakes and sandwiches, Tombola and Grand Prize Draw. There was also a good turn out for Sunday's Fun Day with games, Cream Teas, Pimm's and Treasure Hunt, with many of the young, and not so young, having their faces painted and winning prizes. The Treasure Hunt result was tight but Hunt Master, Derek Farmer, judged Team Patterson the victors, winning, among other things, their own kind donation to the treasure chest prize

big thank you to everyone who joined us in raising much needed funds for the continuing upkeep of the church, and replacing the recently stolen lead and copper.

Despite the changeable weather many enjoyed sitting

back. We'll be happy to have it again next time Clive! 'Jammy' Pauline Wilkes guessed the exact number of balloons in the car and Grand Prize Draw went to John Aves.

Available Monday to Saturday (inc. evenings until 10pm)

After lunch at the Galaxy Club we had a Power Point presentation on the role of the KC135 refuelling by a pilot and a boom operator before boarding one of the planes to try out the pilot's seat and the "couch" of the boom operator. We were impressed by the hospitality and information given to us.

21st July Ian Ellwood gave a very interesting illustrated talk on "The development and growth of D.S. Smith Packaging" (formerly Tillotsons Corrugated Cases and St Regis at Burwell) It was interesting see how modern and efficient the plant is, as

well as how few people were needed to run the plant. Ian also showed a video he had made of the factory at work – when we go past the factory we now know what the inside looks like!

14th September We had a guided tour of the Donarbon Waste Management (now called 'Amey-Cespa') Site situated off the A10 near Waterbeach on a 500 acre site. They sort out all the rubbish collected from East Cambs as well as from other authorities; this amounts to around 300,000 tonnes of waste of year. The organic waste is made into soil improver (they are not allowed to call it compost!). Gardeners note: this can be collected free of charge as long as you take a shovel and the bags to put it in. They also separate glass, paper, metal, plastic, rubber and other things to be recycled. All the waste unable to be re-used is buried into landfill cells, which are designed to safely contain rubbish, not allowing it to pollute the environment but saving the methane gases. The public are able to visit this establishment for a tour and school visits are welcome and encouraged, we found our visit most interesting and worthwhile. Our day was rounded off with a splendid lunch at 'The No Hurry Inn' at Upware. A big thanks to Betty Ashley for arranging both the July and September outings.

Future Events

20th October A welcome return visit of Trevor Burlingham: "With a Camera around Breckland"

17th November Dr Alistair Burn of Isleham: "Fenland Washes and Other Places of interest"

19th January Peter Jackson from Scotsdales Nursery: "Grow your own Fruit and Vegetables"

16th February Vernon Place: "Old Isleham Photos 5" You don't have to be a member to attend our meetings, all visitors are welcome!

Vernon Place Chairman of The Isleham Society Lyn Kiernan and her team extend a warm welcome to you at their

DVD Reviews

In a new, and hopefully regular, feature, Isleham's answer to Claudia Winkelman, Michaela Farr, gives her view on some recent arrivals on the small screen.

This month's new DVD releases proves it to be a great time to crash in front of the TV and hide from the winter weather we all feel coming on. September brought the likes of some great follow-up films such as Transformers: Dark of the Moon and X-Men First Class but October brings the film a lot more people were talking about; Pirates of the Caribbean: On Stranger Tides.

The new Transformers film was a real treat if you like

action films and, of course, if you enjoyed the first two. This film has a new addition to it, British actress/model Rosie Huntingdon-Whiteley staring as Sam Witwicky's new girlfriend. She adds the beauty to this film and the trace of a love story every good film needs to attract a female audience. I found that this film engrossed everyone in the cinema at all times. During the action everyone would jump and when it all goes wrong everyone was in silent

in anticipation. It also has those funny characters that turn a good film into a great film. Characters such as Jerry Wang

Here are just a few of the many great reasons why a Sienna x spray tan will exceed all your expectations:

exude confidence - look and feel gorgeous
extra safe - the only safe tan is a sunless tan
exquisite ingredients - to nourish & care for your skin
extremely natural colour - for that holiday tan' look
experienced therapists - fully trained to tan you to perfection
express application - look fab in less than 15 minutes

Never had a Sienna x spray tan before? Call your therapist to book nowyou'll wonder why you waited so long!

Full body mobile spray tanning in the
comfort of your home £20

For more details or to book your tan
please call Louise on 07591 105722

played by Ken Jeong from *The Hangover*, and Mr and Mrs Witwicky and the two funniest robots in town: Wheelie and Brain. In my opinion this is a must-see action film and it puts a great twist on the history of the moon that we all thought we knew.

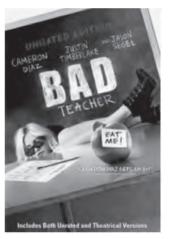

Pirates of the Caribbean: On Stranger Tides is not a classic of the franchise. Johnny Depp's most loved

character was back, but not with a bang, more of a fizzle. The sexy Spanish Penélope Cruz replaced the two missing actors, Orlando Bloom and Keira Knightley very well except for the epic love story the two of them had. This film did miss the two of them and wasn't as good as the first three Caribbean films. This film did make me laugh and I still would rate it higher than many other films. The plot

concerns the race to find the Fountain of Youth between Captain Jack Sparrow and the evil Black Beard. This film is a good film to watch if you had some spare time or to borrow off a friend but I wouldn't be too worried about rushing out and buying it today.

A comedy that is being released this month is the brilliantly funny Bad Teacher staring Cameron Diaz, Jason

Segel and Justin Timberlake. This film is about a lady who had it all, losing it all and who was forced to become a teacher, which is something she does not want to have to do. This foul-mouthed teacher then tries to get herself some more money by going after a colleague, which upsets some of the other members of staff. The characters in this film are hilarious and played so well by all the actors; they must have had fun filming it. This film

had me smiling all the way through and it has a happy ending; what more could you ask for?

Michaela Farr

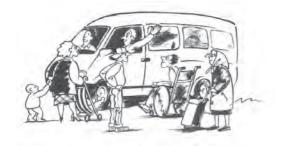

TEA & TOAST

Isleham Village Hall Every Thursday morning 9.30 to 11.30am

ree drop-in and play session for parents and carers with children 0-5 years. Come along with your children and join in the fun. It's a great chance to meet other parents and carers whilst letting your children experience new toys and activities. No need to book. Just turn up.

Ely Soham Dial-a-Ride

Do you have trouble getting out and about? WE CAN HELP

The Affordable Community Bus

Our minibus service collects you from your door and takes you to Ely or to other local destinations. The driver will help you in any way you require including carrying your shopping to your door. All our minibuses carry wheelchairs, walkers, baby buggies etc.

You can use this service to:

- Do your weekly shopping
- Attend that essential medical appointment
- See friends and family in nearby villages
- Get to leisure facilities
- Access the public transport system

We operate in Isleham on Mondays, Thursdays and Fridays.

Excursions

We offer over 22 excursions each month, which include:

- Pub lunches
- Trips to regional shopping centres e.g. Newmarket and Cambridge
- Norfolk and Suffolk coasts
- Theatre trips and places of interest

To contact us

Telephone 01353 661161 (24 hour answer phone: our office is open from 8.30am to 5.00pm Monday–Friday)

ell, the nights are drawing in and it's getting to that time of year when things are starting to slow down and it's no different for the Reserve. We have a few work parties set up for the up and comina months when we will be tidying up the site ready for the winter months.

Our first work party is set to be on Saturday 15th October, when we will be clearing away the grass etc. from the railway line after it has been cut, ready for the winter months, and we will be cutting back the track way that takes you down to the car park. We hope to organise a second work party for November (date to be confirmed) as we are trying to get the Wildlife Trust to come over and help us cut back some more areas in the reserve. And lastly, we are doing one on Saturday 18th February: just a tidy up of the site ready for the new season in 2012.

We would love it if you think you could help out with any of these dates even if it is for an hour or two. E-mail me at cambeth@tesco.net if you are able to volunteer vour time.

The Friends of Isleham Nature Reserves also organised a night out at the reserve for the children who attend Cubs and Guides in the village. On Tuesday 13th September, the cubs and guides joined the wildlife trust to go on a Bat Niaht,

To find out what they got up to then you will have to wait until the next edition of the Informer.

Personally I would like to say a big THANK YOU again for all your support.

> Andrew Garbett Warden of Friends of Isleham Nature Reserves

he AGM of the Gala Committee will take place at The Griffin on Monday 17th October 2011 at 7.30pm. As reported in the last edition of the Informer, five members of

the Committee have stepped down, and new blood is required

If you are interested in helping keep up the tradition of a Gala in Isleham and are able to help, come alona.

The Committee meets on the third Monday of each month from January to July, and meetings last for about an hour.

> Fred Preece, Chair 01638 780734, Fpreece2@aol.com

Community Centre Update

Major Milestone Achieved!

years of planning and hard work by the ICA committee, as you read this, the Community Centre project has gone out to tender and we are awaiting prices from our five preferred contractors. Once

these have been received they will be assessed by the Architect and the Quantity Surveyor, and a recommendation will be brought to the Parish Council for final approval. A public meeting will be held as previously agreed before the final contractor is chosen.

Until the tender prices are received we are unable to proceed fully with grant applications as most grant providers require full costings as part of the application, so this is a very significant time for the project. When the contractor has been appointed it will be 3–6 months before we begin the building; this time will be used for grant applications and seeking the remainder of the funding. The Public Works Loan, which was approved by the council earlier in the year, will also be applied for during this period.

Once the project has begun it is expected to take 48 weeks to complete so hopefully the Centre will be open by the spring of 2013.

The pavilion will remain in place until approximately five weeks before the end of the project so that sporting activities can continue unhindered as far as possible. The Village Hall will be demolished 20 weeks before the end of the project to allow for essential services to be routed through to the new centre avoiding the tree roots. The council have explored many possible routes and scenarios and these would seem to be the most cost effective for the project and the least disruptive to the community as possible. Local groups will be contacted in advance of the hall closure so that we can help find other temporary accommodation while it is closed.

In an effort to improve communication it has been decided that the existing ICA website (www.islehamca.co.uk) will be forwarded to the Isleham village website (www.isleham-village.co.uk). Hopefully this change will provide more up-to-date information on the progress of the project with greater accessibility for the whole community.

Anyone interested in assisting with fundraising or grant seeking for the new Centre please contact the Parish Clerk Diane Bayliss on 01638 781687.

Aerial view of the crash site to the north of Beck Road and east of Sheldrick's Road.

In view of its close proximity to the huge USAF airfields at Mildenhall and Lakenheath, Isleham is no stranger to the sound of aircraft flying overhead, a fact of village life for over 60 years. Today those aircraft sounds are of high powered jets such as the KC-135 Stratotankers from RAF Mildenhall and the F-15 Strike Eagle fighters from RAF Lakenheath. The aircraft sounds in the immediate post-war years, however, still included many pistonengined military aircraft.

On Thursday 13th October 1949, the 43rd Bomb Group was scheduled for a routine training mission that was to last for 10 hours. At briefing pilots had been told that there would be a formation take-off, assembly, climb to 25,000 feet, break up the formation then drop 16 500 lb high explosive bombs individually on the bombing target at Heligoland, then from there to the radar bombardment system (RBS) target at Heston, for RBS runs until the RBS site closed, and then return to Lakenheath in the evening. It was a typical autumn day in the United Kingdom. There was a low overcast, the base at a height of only 300 feet or so, which extended to height of around 1,100 feet, completely obscuring the sky from the ground. Visibility was restricted to only three quarters of a mile in fog, the temperature was a cool 54°F. The relative humidity was 100% with surface winds of 11 mph at 250°.

Instructor Major George H. Ingham, pilot of B-50 Superfortress 46-060 (6060), reported that everything was OK and acknowledged that he was taxiing into position for take-off at the end of 25 runway. 6060 lined up and contacted ground control unit (GCA) when in a take-off position. 6060 took off at 9.25am. Ingham reported that he was at 500 feet and that it was OK for the next aircraft, 6042, to take off. About a minute later Sgt. Dees in the GCA trailer, having returned to his search scope, observed that 6060 was 3½ miles out,

called and said, "60 should be on top 3½ miles out." There was a few moments pause and the reply came in a normal voice "60 on top at 1100 feet indicated." He noted 6060's position at five miles out at the time of reply and "almost immediately heard an excited scream and some unintelligible chatter." Bacon in 6039 was in a much better position to understand the transmission as he was airborne and much nearer to 6060. Bacon had heard GCA call Lakenheath control tower that 6060 should be breaking clear on top. At this Bacon heard a voice, which he recognised as Major Ingham's, 'in a very jovial manner' report to GCA that he was 'still in the soup' (i.e. still in the overcast). About 30 seconds after this Bacon heard Major Ingham report that 6060 was 'on top, everything OK'.

Another minute, to a minute and a half, elapsed. The transmissions were noted in the control tower by Lt. Mattson – "Red hat leader to Red hat 3", and Major Ingham was then heard to start a normal transmission, to Bacon, "6039 this is..." followed by a break of a few seconds after which Ingham's voice was again heard but was now agitated and very excited, "Look at that son-of-a-bitch..." he said, followed by another break of a few seconds then he transmitted, still in an excited voice, "Shut the damned thing off." During this time Bacon had turned 6039 to the right (180°) to come back over the homing beacon to join the formation.

The day in the village of Isleham had got off to a normal start and young Vernon Place was preparing to cycle to the bank, whilst others were already at work. In view of the limited visibility, Vernon could not see the aircraft but he did hear the engine noise and it did not sound normal. Elizabeth Brown was standing on the land at the rear of her home at Broad View, Beck Road, Isleham at about 9.30am that day, talking with girls. She became aware of the sound of a multi-engined aircraft overhead and looked up in the direction of Mildenhall. "Look! It's on fire", she said, "It looked like a ball of fire," she later recalled, describing the last moments of 6060. She turned and ran back towards the house and heard a loud explosion.

Two farming brothers, George and John Thornalley, were working at the far end of the sugar beet field beside the back road of Isleham, when they heard the aircraft. They stood and looked for it. George said that he could see along the ground for about a half mile, but could see up no more than a hundred and fifty feet. From the sound of the engines he could tell that something was wrong. When he first saw the plane it was almost a hundred feet high and in a nose dive, almost straight down. The aircraft appeared to have

come from the direction of Isleham. George could see fire but could not tell what part was on fire. However, John stated that the right wing was on fire before, realising the plane was going to crash, he fell on the ground and covered his head with his arms. To George the aircraft "appeared to be broken" but he thought that could be due to "the angle I was looking at it." He heard one explosion after it hit the ground followed by a "big blast of flame." The next thing he knew he was on the ground, then he and his brother "ran around the burning plane to the farm building", a shed where the farm implements were stored. He could see that there was no hope for anyone in the plane. John had heard "the engines throb a couple of times" and the aircraft came into his view just before it crashed. He noted that the bomber struck in a "near vertical position." A haystack very near the shed was on fire and rounds of ammunition were exploding for several minutes.

Local civilians were first on the crash scene, which was just southeast of Isleham in a field of stubble at Lee Farm, Beck Road, Isleham. The first Americans on the scene were crash truck personnel from RAF Mildenhall, the nearest airfield who arrived at 10.00am. The fire was extinguished by 10.30am. The aircraft had been carrying 6,000 gallons of fuel and sixteen 500 lb bombs. On arrival the fire crew found that the plane had exploded at the point of impact and was completely demolished. There were small individual fires burning over an area of five acres. The ground area at the crash site was flat terrain. The crash crew reported that on arrival the weather was foggy, temperature was 60°, the relative humidity was 90%, wind direction 240°, velocity 9 mph. The obvious cause of this crash was a fire in flight, although what caused the fire could not be determined in view of the total destruction of the aircraft and the entire crew being killed. This aircraft type had been plagued with oil leak and exhaust problems and it is likely that this was the cause of the fire.

News of the crash made the national newspapers on Friday 14th October 1949, the heading in The Times reading 12 KILLED IN U.S. BOMBER - EXPLOSION SHAKES A VILLAGE. The U.S. 3rd Air Division headquarters at Ruislip, Middlesex, issued an official press statement – "A B 50 strato-bomber of the U.S.A.F. stationed at Lakenheath crashed and burned out about a mile south-east of Isleham at 9.25 a.m. to-day. According to officials of the 3rd Air Division, wreckage indicated that there were 12 people on board. So far 12 bodies have been recovered. Weather at Lakenheath was three-quarters of a mile visibility with fog. The forecast weather in the vicinity of the crash was one-eighth of a mile visibility." The report ended with the fact that 'the aircraft had crashed in a field of stubble. Several stacks were set on fire. A crater about 30ft. long and 20ft. across and about 10ft. deep was formed. R.A.F. and U.S.A.F. salvage workers sorted out the wreckage, which was strewn over a wide area. American Army security police formed a cordon.

"Villagers said that the aircraft came from the direction of Lakenheath and as it flew low over the village it was a 'mass of roaring flames'.

"The B 50 bomber is one of the latest long-range

operational heavy bombers in the U.S.A.F. The first of those now in Britain arrived in August for the 90-day training period which the American 43rd Bombardment Group is undertaking at United States air bases in England. The B 50 is an enlarged, more powerful version of the B 29. It has a 141ft. wing span and is 99ft. in length. Some details are still on the secret list, but it has been stated that it is powered by four 3,500 h.p. engines and is capable of a top speed of about 400 m.p.h. The B 50 is one of the aircraft selected to carry the atom bomb."

A brief report in The Times of Saturday 15th October 1949 followed up with the heading **R.A.F. MAN DIED IN U.S. BOMBER** and reported that R.A.F. signaller D.J. Garrett, stationed at Lakenheath, was among the crew of 12 who died in the crash. A provisional inquest on Garrett had been fixed for that afternoon.

Stewart Evans

Energy Meters

ot better things to spend your money on than electricity bills? Borrow an energy meter from any Cambridgeshire library free of charge and find out how you could cut your electricity bills by as much as 15%. The meters are easy and safe to use and show how much electricity is being used in your home at any one time. Using a meter can help you see just how much energy is used, for example, by lights in empty rooms, appliances on stand-by or boiling a full kettle. Armed with this information, studies show that households can reduce their bills by 5–15% by making small changes to use less electricity. Ask to borrow a meter at your local library today and start planning what to do with your savings!

Green Tip: We all have an impact on the environment through our use of resources and burning fossil fuels for everyday activities such as driving cars and heating our homes. For various tips on how to reduce carbon emissions in the home, check out the Environment Agency website at the following address: http://www.environmentagency.gov.uk/homeandleisure/climatechange

Women's

t our August meeting we had an interesting talk by Rosemary Jacob about "Experiences of a Corset Consultant". Employed by Spirella, in the 1970s Rosemary went through a comprehensive training before gaining her coveted certificate.

One of the features of the Spirella corset company was that their products were made-to-measure, and never sold in shops.

Putting this training into practice led to many humourous and poignant situations for our speaker, and her description of these led to a very entertaining

At the beginning of August, several members went to Southwold on a trip run by the Cambridge Federation. The weather was kind, and after a day spent on the beach and the pier, and a walk around the shops, we were treated to a visit to the theatre to see a hilarious farce, "Move over Mrs Markham".

In September we celebrated with our Harvest Supper. It was a light-hearted evening enjoyed, I hope, by all.

On 13th October we are holding an Open Evening when we hope to welcome members of local WIs and Flower Clubs and all others who are interested. Our speaker and demonstrator will be Nicholas Godfrey-Cole of 'Scent With Love', Hunstanton. Mr Godfrey-Cole is a regular exhibitor at the Sandringham Flower Show. All are welcome.

If you would like to join the WI or simply come to a meeting to see what it is like, please do come along. We meet on the second Thursday of each month in the Village Hall, 7.30 for 7.45pm, and visitors and new members are always welcome.

JOYCE'S CORNER

Perfect Friend

It's good to get together
To meet and have a chat.
Letting time pass idly by
Discussing this and that.

But even more important Then the topics we might raise Is the pleasure found by sharing In each other's friendly ways.

Of people that we've met and known We often find there's one alone Who seems to stand out from the rest, And as a friend becomes our best.

Why this should be I cannot say.
Different things come into play.
Qualities which, when they blend,
Make for us the perfect friend.

Parish Council News

The following are the abbreviated and incomplete versions of the IPC minutes for the July and August 2011 meetings. Full minutes are available from the IPC and on the Isleham Village Website at www.isleham-village.co.uk/pcminutes.html.

MINUTES OF THE PARISH COUNCIL MEETING MONDAY 4th JULY

Present Cllrs Beckett, Baines, Chaplin, Patterson, Neal, H. Thompson, Wilkes, Malkin, R. Thompson, Bruyneel-Smith, CCllr Powley, Clerk: D Bayliss, 4 Parishioners

Catherine Shilton, Cambridgeshire ACRE; Oliver Cook, Jane Hollingsworth ECDC; Mark Osbourne, Sanctuary Housing; Stephen Conrad CCC

Apologies Cllr Earl, C Cllr Palmer

CAMBRIDGESHIRE ACRE – HOUSING NEEDS SURVEY

The results of the housing needs survey were presented to the council by Catherine Shilton, showing that at present 41 affordable homes are needed in the village. The council will consider appropriate sites and discuss these with Sanctuary Housing.

OPEN FORUM FOR PUBLIC PARTICIPATION

Mr Sheldrick asked the council whether he was allowed to work on the recreation ground when there are people using it. The Council have no problems with Mr Sheldrick working on the recreation ground when people are there as long as he takes due care.

Mr Ellwood asked how much interest was being paid on the public works loan and whether it had been taken out yet. He also asked for a copy of the latest plans for the new community centre. He also asked about the yellow lines on Pound Lane (see June minutes).

MATTERS ARISING

The Chairman informed the Council that Mr Cox is improving slowly.

QUALITY STATUS

The first annual report has been published on the website on the notice board and has been distributed to Councillors. Hopefully it will be included in the next issue of the *Informer*.

RECREATION GROUND MATTERS

The manhole cover has been repaired.

One of the side windows on the pavilion was smashed and has now been repaired.

Concern was raised about whether the trees on the recreation ground are being watered regularly. The Clerk will investigate this ASAP as one of the trees is looking a bit unhealthy.

Bloor Homes have still not removed two of the posts from the recreation ground.

The work that has been carried out around the MUGA is not satisfactory. Cllrs Patterson and Wilkes visited the site with the clerk and request that the account is not paid until the situation has been rectified.

ICA REPORT

It was agreed that Mr Robert Plumbly is appointed to advise the Council on the VAT issues surrounding the building of the new community centre.

In the light of the circumstances regarding this issue Cllr Beckett proposed from the chair that Isleham Parish Council agrees to let the new community centre to an ICA management committee, subject to all legal and financial matters regarding this being resolved satisfactorily. If not, then the matter will need to be reconsidered.

It was reported that the Gala Festival was a great success. A letter of thanks will be sent to the ICA fundraising committee. The Gala itself was again hugely successful and a letter of thanks will be sent to the Gala Committee.

CEMETERY & CHURCHYARD MATTERS

Mr Wilding will be tending the cemetery while Mr Cox is unwell. Another large ornament has been placed on one of the graves; the Clerk will contact the family and ask them to remove it. The hedge at the side

of the Cemetery is too wide to be cut back by hand so other arrangements need to be made to cut it. The hedge at the bottom of the cemetery is overgrown with ivy; however, this does not belong to the Council but to Sanctuary housing, so a letter will be sent to them asking them to cut it back.

COUNTY & DISTRICT COUNCILLOR'S REPORT & BUSINESS

C CIIr Powley pointed out to the Council that any speed limit changes requested by the Council would have to be paid for from the Council's precept.

80% of the street lighting in Cambridgeshire is to be replaced over the next five years. There may be fewer lights but with a greater spread of light. Cllr Baines asked if

C Cllr Powley could find out if there are any known issues with the lighting, as it seems that the brightness of a new light in East Fen Road has decreased over the year.

HIGHWAYS/FOOTPATH MATTERS

The footpath outside the Co-op has been repaired – a letter of thanks will be sent to County Highways.

If a new streetlight were to be put in at Little London, it would have to be paid for by the Council as new lights only tend to be put in at accident blackspots.

Bugs Alley has an elder growing out of the ground in the middle of it and some overhanging brush, which needs to be removed. The clerk will contact Mr Wilding to clear this.

A letter has been received from Mrs Burbidge concerning a tree which is overhanging Waterside Road.

It was agreed that the clerk would find out who the tree belongs to; if it is Parish Council property the clerk in consultation with Cllrs Baines and R. Thompson will arrange to have the necessary work carried out up to a maximum of £1000 in line with the current financial regulations.

There is a tree overhanging the end of Maltings Lane, a letter will be sent to the house owner asking them to cut it back allowing access for pedestrians.

Care and Repair information will be distributed to the churches, placed in the Informer and on the notice board.

PLANNING MATTERS

Planning Applications Extension and alterations at 34 West Street, Isleham for Mr and Mrs Webber – no objection.

Demolish single storey extension, construct two-storey extension and detached cart lodge at 9 Dockings Lane, Isleham for Mr and Mrs Ruddock – objection on the grounds that the development is out of keeping with the character and setting of the area.

Two-storey side extension at 23A Little London, Isleham for Mr P. Clarke – no objection.

Planning Approvals Single storey rear extension, new porch and replacement garage and woodstore at 8 West Street, Isleham for Mr and Mrs Flynn.

OTHER BUSINESS

The 'A Vision for Isleham' Questionnaire has been distributed at the Co-op, by the Clerk and is available on the website.

MINUTES OF THE PARISH COUNCIL MEETING MONDAY 8th AUGUST

Present Cllrs Beckett, Chaplin, Neal, Patterson, H. Thompson, Wilkes, R. Thompson, Malkin, Bruyneel-Smith, Clerk: D. Bayliss, 2 Parishioners

Apologies: Cllrs Earl, Baines, C Cllrs Powley, Palmer

MATTERS ARISING

The tree on Waterside appears to be on the allotment land; however, before any work is carried out the clerk will contact Highways to see about having the branch lopped back.

Mr Cox has handed in his resignation as Cemetery Keeper owing to ill health. The Council will write and thank Mr Cox for all his hard work at keeping the cemetery in pristine condition.

RECREATION GROUND MATTERS

It was agreed that the Council submit the recreation ground and play area to the Queen Elizabeth II Fields Challenge. It was agreed that an advert for a new cemetery keeper be placed on the notice-board, in the Co-Op and in the Post Office.

Applications to be in to the Clerk by 1st September.

PLANNING MATTERS

Applications Installation of 8 photovoltaic solar panels for Mr and Mrs J. Henderson, 5a West Street – no objections. **Approvals** Extension and alterations at 34 West Street, Isleham for Mr and Mrs Webber.

Demolish single storey extension, construct two -storey extension and detached cart lodge at 9 Dockings Lane, Isleham for Mr and Mrs Ruddock.

ICA REPORT

Project Management The main services for the new Community Centre need to go through the middle of the current Village Hall as the tree roots come up to the edge of the hall. There are three options available to the council:

Option 1 – demolish on day one – no charge

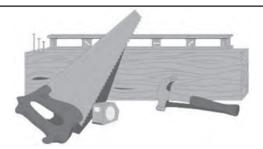

Option 2 - demolish 20 weeks in - £13,000

Option 3 – demolish kitchen and store ourselves

before the project starts – £26,000

It was agreed that the Parish Council would like the project to go out to tender retaining the current village hall until 20 weeks into the contract; the council would also like to know if there would be a cost saving if the hall were demolished the beginning of the project.

THE ARK PROJECT

The High St Church New Building - Update

As you may be aware we have now started to erect the oak construction for our new church building. Progress is going very well. If you are passing, why not stop at the gate and have a look? More details to follow in the next issue, but in the meantime, have a look at this page on the BBC Website: http://www.bbc.co.uk/news/uk-england-cambridgeshire-14728481. This has a short report from Look East marking the end of Phase One

SUNDAY SERVICES: All are welcome to our Sunday services throughout the year.

Morning worship: 10.30am All ages are very welcome from the very young to the very old. The children have their own activities.

Evening fellowship: 6.30pm A less formal service usually with opportunity for individual sharing. Come and hear about God's goodness! Tea, coffee and good conversation are available after both the morning and evening services.

On Sunday mornings the following children's facilities are available:

Crèche is available for babies and tots up to 3 years old: the crèche workers are very experienced and provide a safe, fun playtime for the little ones.

Junior Church, for those who are aged 3 to 7, is a fun-filled session with singing, crafts, drama and stories. The older Junior Church meet at the Village Hall. This is for children who are 7 to 11 years old. Their morning starts from 10am with a craft, followed by a wide range of activities encouraging the children to discover the Christian faith for themselves. We would love to see some new faces and visitors would be made very welcome!

Impact is the name for the 11 to 14 year olds and on a Sunday morning they receive teaching that is relevant to pre-teens/teenagers. On a Friday night this group meets socially and they all have a lot of laughs!

OTHER WEEKLY ACTIVITIES

Our midweek care structure called **High Street Life** gives a whole range of fresh initiatives to care, support and be involved in the local community. It includes: a quilting group, papercraft group, Life groups, plus Men's and Ladies' groups; a Media and Creative Arts group using modern technology to convey the message of hope; a Healthy Living group; practical DIY advice and much more. Are you new to the village? High Street Life is more than just Church on Sunday so why not contact us, we'd love to get to know you and tell you what makes us tick.

Alpha (the relevance of the gospel in today's world) and the Marriage Course (designed to help strengthen marriages) will also continue to run from time to time.

Are you interested in how to stay active in later life? If so, we are running an exercise class for the more mature on Monday afternoons at 2pm at the Chapel. Our **Rendezvous** group – for the more mature among us – meets every Tuesday afternoon at 3pm. Around 60 to 70 of us enjoy this time together each week but new faces are always welcome.

Luncheon Club is for those of retirement age and happens once a month on the second Wednesday from 12–2pm. An excellent meal for just £2 not to mention the great company! For further details of any of the above, please contact Kathryn of 01638 780652 of the Church Office.

Little Lambs is our parent/carer and toddler group which runs term time Fridays from 9.15–11.15am. Parents/carers can relax with a coffee while the children play. Each week we have a craft activity, juice time and end the morning with singing. All welcome!

So whether it's on a Sunday or midweek, we would love to see you. Why not come along, give us a call or take a look at what we do on www.highst.org.uk? If you would like to know more then please contact our church office on 01638 780985. ■

Covies (Year 7–early 20s): 9.30–10.30am (Mr Steve Neale 01638 780717).

There is a hearing loop installed and signing for the deaf is available as well as Braille songbooks. We have a comprehensive Child Protection Policy and a CRB check has been carried out on all children's and young people's workers.

Monday:

Music Mayhem: 9.30–10.30am.

(Mrs Sue Thompson 01638 781343 Preschool children during school term only)

A fun time for your pre-school children – action songs, musical instruments and the ever-popular "Sockeroo". Followed by refreshments and a time to relax with friends whilst the children play. New members always welcome.

All Stars Fun Night: 7.00–8.15pm.

Wednesday:

Fellowship: 2.15–3.15pm. (Mrs Sandra Rampley 01353 624733)

This caters for the more mature. They enjoy meeting together for a Bible talk, spiritual songs and prayer. Various fun evenings and meals are also organised during the year. New members are always welcome.

Church Night: 7.40–9pm.

Bible study, prayer and fellowship; for mid-teens upwards.

Thursday:

Coffee Morning: 10–11.30am.

Turn up any time between 10 and 11.30am for free tea, coffee and cakes. Chat with friends and make new friends. Open to any age. Includes an 8 minute "In the News this Week" slot in the middle.

Covies Club Night: 7–9pm.

Friday (fortnightly in members' homes):

Women's Meeting 10.30–11.45am (Sue Hall 01638 780636). Christianity Explored courses are run regularly – please ask for dates of next course.

For further information on any of the above, or if you would like to speak to Pastor Dave:

Email: pastor@plfc.org.uk

secretary@plfc.org.uk

Web site: www.plfc.org.uk & www.isleham.com

18–30s this is a new group for all those aged between 18 and 30 years. It's held each week, meeting in homes and once a month going out for a social event e.g. bowling or the cinema. If you are in this age range, would enjoy finding out more about the Christian life and would enjoy meeting other people of your age, why not come along and give it a try? Details from Alison or Suzi on 01638 781343.

If you have any spare time on a Thursday morning between 10.00am and 11.30am why not come along to the **plfc Coffee Morning**? We enjoy a good chat with friends both old and new, a cup of tea or coffee and a selection of sweet and savoury items to tempt our taste buds! A topical news item is looked at from a Christian perspective in the eight minute "In the News" slot then some of the gentlemen enjoy a game of dominoes. We'd love to see you and you will be sure of a very warm welcome.

Our pre-school group Music Mayhem meets from 9.30-10.30am. Anyone is welcome to come along, the sessions are free and are held in the hall of the church extension. We have a 30 minute singing time, including the M.M. "Hello" song, some action songs, musical instrument songs, parachute songs, Sockeroo the sock puppet makes an appearance and helps us chose a song and we finish with the M.M. "goodbye song". Each child receives his or her own Sockeroo sock puppet on the first birthday they are with us. From 10.00–10.30a.m. We have a play time for the children and refreshments. One of the highlights of our year is always the Christmas Nativity with the children coming dressed as angels or shepherds and the story of the birth of Jesus is told in words and pictures.

Bowls Report

nother season has come and gone in a flash. It has been an average season for the club with both the men and ladies finishing in mid table in their respective Ely & District leagues. In the mixed Cambridge & District Division 4, we finished third and just missed out on being promoted. As a club we have participated in approximately 90 matches in four months, so, as you can, it tell has been an intense four months!

We successfully hosted two county matches, Norfolk men visiting the club in August and Hertfordshire men in September. On both occasions, they competed against a team of Cambridgeshire men. All visitors were impressed with our facilities and complimented the village on its Bowls Club.

In our internal competitions, the finals were played over the weekend of 10th and 11th September, the winners were as follows:

Winners Runner-Up Singles Men Shane Dunbavin Chris Dunkley Handicap **Barry Grimwood** Darren Dunbavin Ladies Carol Wells Rebecca Blyth Pitcher Memorial Robert Burling Ivan Hymus Telfer Trophy Peter Doe Ivan Hymus Club pairs Ken Brown & Robert Burling

Rebecca Blyth & Barry Clarke

Len Youens & Robert Burling

Husband & Wife Celia & Barry Clarke
Diane & Robert Burling

Club Triples Lionel Watts/Diane Burling/Mark Dunbavin

John Foreman/Barry Grimwood/Andy Gillett

It was great to see 2 young bowlers complete for the men's singles title (I thought it was meant to be an old people's game!). Well done Shane who, at 17 years old, is the youngest winner of the club's oldest competition.

Just a reminder to all, that the club hosts a bingo evening each Wednesday evening from 7.45pm and welcomes anyone to come and take part, why not give it a try? Probably better than watching TV!

Barry Grimwood, Club Captain
