

Festival of Light

We had another amazing Festival of light at St. Andrew's in early December. The church looked spectacular and there was a constant stream of people from the village and further afield enjoying the spectacle.

The success of this event is down to all those in the village who contribute a tree and we would like to thank everyone who put one up..

The Christmas Fair and Carol Concert were also well supported and over the two week-ends we raised over £2000.00. Thank you to everyone who supported us during the Festival of Light. We are planning to hold a display of wedding dresses in the Summer so please look out for more information in the next few months. K.Carver

Many thanks from all to Walter Gunston for decorating the Mill Street telephone box it certainly caught your attention as you came into the village.

Isleham Primary School

Our Year 6 School House Captains did a fantastic job representing the school in the Isleham Remembrance Service 2018 on the 11th November. They joined the village procession to the war memorial and presented a poppy wreath on behalf of the school before attending the Sunday service of remembrance. It was wonderful to see the school's poppies interwoven with the many knitted poppies created by local people both inside and outside the church on the cascading nets. Each child in the school made a poppy with a large button attached and wrote their name on it. Some of the Year 6 children's poppy pastel pictures were also on display in the church. Many Isleham School children were also present on the day with the Cub, Scout and Beaver group attendees, and led the procession to the Church. Well done to all involved. This was a beautiful and poignant memorial service to remember those from Isleham who lost their lives in World War 1 and World War 2.

Village Notes

As you know Isleham Newspapers is run to fund the St Andrews Social Centre in Church Street.

However, we have over the past few months been looking to find new customers to keep the numbers up. If you know someone who has recently moved into the village then maybe they would like to know of our service, please give us a mention. Maybe you like a paper to read with your morning cuppa? We can't do the cuppa but the paper - definitely!

We have a seven days a week service and naturally we need a healthy customer base to maintain this level of service, so we are very aware that each and every one is valuable to us.

Why not give us a call on (01638) 781022.

Due to a resignation there is still a vacancy for a Councillor on the Parish Council. If you might be interested in this then please contact the Parish Clerk Jeanette Broderick for further information. Telephone 01638 781687, email islehampc@gmail.com

Notes from The Editor

Wishing to give Lisa a rest from putting the Informer together we advertised for someone to take over the editing and layout. With there being no one else coming forward I have stepped forward to fill the breach.

Whilst I have looked after the village website (www.isleham-village.co.uk) for the past seven years this edition of the Informer will be my first stab at the paper version.

Apologies in advance for any errors but with time and perseverance these will be reduced.

I am hoping to introduce a few new items in future editions i.e. naming people in old photos, also with the families permission the reposting of Joyce Drayton's poems from the older Informers.

Thank you Lisa, you have been great.

I hope you enjoy this February edition with the photographs and articles showing the Festival of Light in St Andrews church. Thanks to all for organising this annual event and all that had trees and displays.

Thanks must also go to all that contribute articles and pictures, (we are always looking for more) to those who advertise with us, and to all the help to put all these bits together and then distribute the Informer.

A belated Healthy New Year to you all, and may 2019 bring you health and happiness.

Clive Patterson

INSPIRING WOMEN

Isleham WI

We finished the year with a Christmas meal at the Walnut Tree, enjoyed by all. Thanks to Pauline who arranged it.

At our January meeting we welcomed Stuart Haggett, whose talk was entitled 'Inspecting the Inspectors'. After retiring from teaching Stuart now works for Cambridge Assessment International Education, which involves him visiting school in England and abroad. The security standards set by this board are extremely high, and Inspectors ensure that students everywhere are able to have confidence in the system.

Stuart was a lively and interesting speaker, and members were all interested in his talk.

Our programme for the rest of the year:

A note from The Beeches

Happy New Year to all, we hope you all had a great festive period and wish you all the best for 2019!

We had a great end to 2018 with a successful start to Isleham's first ever Farmers Market starting in September which has since grown from strength to strength with new stall holders and new customers walking through the doors to see what we have to offer. We would like to thank Roseanna Thompson for all of her help in sourcing vendors and supporting us with this fantastic service to the village.

The Farmers Market – with a touch of Craft will be a regular event on the 3rd Saturday of the month. The first 6 months of dates have been released.

We also ended on a high note with the huge popularity of the ABBA sensation event we are hosting in January leaving us with a waiting list of people leading us to book a second date with the group in February which also sold out in record time!

We have decided to look into other tribute bands after the popularity of ABBA so please keep an eye out for more information.

The Beeches was thrilled to receive £2175.58 from the Co-op Community Funding Scheme which will go towards replacing the tired tables and chairs that we currently have. Our thanks goes out to The Co-op for their continued support and donations helping the village groups improve their services to us all.

Our annual Sportsman's Dinner was a great night with our 2 guest speakers Willie Thorne and Alvin Martin, providing an evening of food, drink and entertainment.

The village came together in remembrance of Armistice Day with flags flying high, phone boxes decorated and a superb gathering along the village streets admiring the phenomenal poppy display in the church grounds.

The Beeches Entertainers performed their first Panto in our Community Centre and produced another night of comedy in their 2nd performance of the year.

We found Gala day to be the hottest day of the year with the added suspense of England playing in the World Cup quarter finals. We celebrated a royal wedding, the fun fair returning and 2 successful Family fun day's.

We look forward to these regular events again in 2019 and hope that we can provide another fun filled year for our superb village!

Louise Quinn (Centre Manager)

We meet at 7.30pm on the 2nd Thursday of each month at The Beeches. If you are interested do come along, you will be very welcome

Letters to the Editor

After the success of the Isleham Poppy Project I decided it would be nice to get some postcards printed to remember the occasion. They cost £1 each and all the profits from the sales will be going to the Royal British Legion. The first batch sold out on-line within days so I have had another batch printed so that people who aren't on-line can have the chance to buy some if they wish.

I have spoken to Mary who helps run the Coffee Morning at the St Andrew's Social Centre and she has kindly offered to sell them there, so, if you would like to get your hands on one just pop there on a Tuesday morning between 9am - 12pm to buy one (and maybe have a nice cup of tea and cake or bacon butty at the same time).

Whilst I am talking about the Poppy Project, I just wanted to remind all the wonderful creative people of Isleham that we will be running the project again this year so keep on creating those poppies. Any style of art is welcome so if you crochet, paint, design, silversmith or maybe make things in clay then you are all welcome. If you aren't creative but want to be involved you are also more than welcome to join us, everyone has their own talent and we would be very happy to have more lovely people join the team (and it really is a lovely team).

Thanks again to all those involved in last year's project.

Zoe Leeson

Isleham Society

Are you interested in our village, its history, traditions, its preservation and development.

Then you might consider coming along to one of our meetings at 7.30pm at The Beeches on the third Thursday of each month. No meetings in August or December.

Though primarily a group of Isleham residents, the Society welcomes members and visitors from all over. It will flourish as long as sufficient residents and friends of Isleham – young as well as old – continue to care about all aspects of our village, and become active members.

Visitors are welcome to all the meetings. Annual membership is £10 per person or £15 a couple. Visitors are always welcome @ £2 per visit.

No meeting in December but at our January meeting we had a very interesting presentation on Swaffham Prior windmill.

The committee met at the beginning of November and a variety of potential speakers were put forward for our 2019 meetings and with the assistance of the society secretary we are now putting together next year's program.

Speakers for the next few months are:

Feb 21st AGM followed by a quiz.

Mar 21st Scams

Apr 18th WW2 Bomber Crash

May 16th The Grange Musical Collection

We are still in need of a permanent vice-chair and programme secretary. Both of these posts are not arduous but help to spread the small work load. Please feel free to approach anyone on the committee if you would like to volunteer for either of these roles.

The new 'Beating the Bounds', is now about to go to the printers for the first few samples, this a bit later than expected, this has been due to workload and a few errors spotted at the last minute.

Please have a look through your old photo albums or boxes and if you have any old photos, pantomime programmes etc. that you would allow the society to use please contact me. When I say old these can be anything from recent years to over 100 years old. All photos or cuttings, tickets etc will be scanned and the originals returned accompanied by a digital copy; we can if authorised keep the originals for the albums.

Happy New Year

Thinking of making some Resolutions?

Why not make the change that could save a life?

Caring for Cambridgeshire's Homeless is looking for volunteers who will give just 3 hours a month to bring basic supplies to rough sleepers and the vulnerably housed. This includes hot drinks, sandwiches, snacks and other essentials

All we ask is one evening a month, or however much you can offer. You will be given full training, and your Lead Volunteer for the night will talk to you about what you need to bring.

No experience necessary, just a kind heart and an open mind and the ability to pull a trolley for 2 hours.

For more information, please contact us via our page or group

Caring for Cambridgeshire's Homeless

The aim of our group is to offer care and support to homeless and vulnerably housed in Cambridgeshire. Small teams of volunteers take our donated items of hot drinks, food, toiletries, clothing and any items that may bring a bit of comfort to a person's life on the street. On our visits we try to bring a sense of worth and a feeling of comfort to our street friends, whether that be in the form of a cup of tea, a warm smile or a friendly chat. Our volunteers are always on hand to lend a listening ear. Once per month we hold a hot food event on Cambridge market square, where we provide our homeless with a hearty home cooked hot meal. In addition supplies of essentials are plentiful. Whether you are a street volunteer, a donor, a sandwich maker or cake baker, your help and support is greatly appreciated by our friends on the street. If you like to be involved in any aspect of caring for the homeless then please join our group.

Please join our Facebook group Caring for Cambridgeshire's Homeless or follow us on instagram, Caringforcambshomeless.

County Councillor

From our County Councillor

Since becoming the County councillor for Isleham I have looked at many things and already we have addressed road issues in Fordham road and Mill St, tackled future public transport for Isleham and conducted a full review of the streets and roads in our village. I hope to have some news of increase public transport this spring! There are not endless pits of council funds but I have also secured the grips to the road edges being recut early in the new fiscal year to greatly improve our community's rural roads.

Moving forward we have seen the latest development challenges with the public consultation for the site between Fordham Rd and Station Rd. With this and other planned developments Isleham must drive for positive infrastructure improvements before, not after, significant development, if this materialises. Our School is almost full, our roads busy and our property market full of 4 bed executive homes and barely a bus service leaves or enters Isleham. It is my ambition to fight for only quality and needed development as well as infrastructure to support such quality growth.

With development comes emotion as with all change. I share and understand this and want Isleham to remain the amazing community it is. However, with development comes taxation and investment. Growth supports our businesses, pubs, and Co-op, maybe even growing these. With growth come fresh people, families and hopefully homes for our children and those that want to live in Isleham. The key is finding the balance that captures the best of all that is on offer.

I am committed to fight for all infrastructure and needs any development growth puts on us, but also to ensure that our village is not spoilt by ugly, urban sprawls that do not fit well here. From developments of single homes, those less than ten specifically aimed to avoid affordable housing supply and larger planned sites, I will work with the Parish Council, District Council and at the County Council for the good of our Isleham. I stress that no development is agreed until full planning permissions are granted.

Finally, for now, in our community we have many stand out events. Gala day, Armistice Day, the Christmas build up and significant events at the Beeches. We are soon to be treated once again by The Beeches Players to their annual pantomime and I hope to see many of you there. It is fun and enjoyable to attend, and hard work to put on. Please give these people your kind support.

Kind regards

Update from Lucy Frazer MP

Happy New Year to you all. I wanted to reflect on the last 12 months which seem to have flown by once again.

Working with partners across the constituency, from local campaign groups to councillors and the Mayor and Government, I am delighted that projects which I have championed are now reaching fruition. The Ely Bypass, which I helped obtain Government funding for, has now been finalised. After regular meetings with BT and Connecting Cambridgeshire, open meetings with residents and regular phone exchanges, 95% of premises in our constituency now have access to superfast broadband, although I continue to press for full rollout in some of the outstanding 'not-spots'. Also, a free to use, Government backed teacher recruitment website which I've actively pursued for 3 years, is now being rolled out nationally, having been piloted in Cambridgeshire.

I am proud to have supported a number of successful local campaigns; ensuring the continuation of the pilot at the Local Urgent Care Centre at Ely's Princess of Wales, following regular meetings with local health authorities and the great local campaign by Emma Watson, Helen Wright and others and reinstating a pre 9am off-peak train service to Cambridge after numerous meetings with Chief Operating Officer of Govia Thameslink Rail, Nick Brown, and a well led local campaign by Lauren Thomas.

Longer term projects such as upgrading the A10, building a station in Soham, improving junction 37 on the A142/A14 are ongoing.

Also ongoing is my commitment to local schools. £6m extra funding over 3 years, owing to the 'Opportunity Areas' status I helped secure for schools in East Cambridgeshire, is now being made available in the form of grants. My parliamentary inter-school debating competition, which encourages students to develop their debating skills, is now in its fifth year. In the last 3 months I have met with all the pupils taking part and this year's final is being judged by Sir Brian Leveson.

I have brought a number of Cabinet Ministers to our constituency this year to press our local causes including Education Secretary, Damian Hinds, Secretary for Environment, Food and Rural Affairs, Michael Gove and Secretary of State for Transport, Chris Grayling.

Earlier this year I was pleased to meet with local Parish Councillors to discuss issues affecting Isleham village. Just a month ago I was delighted to see the amazing progress made by the congregants of Isleham High Street Church involved in constructing the remarkable 'Ark' church and community centre.

I always enjoy meeting constituents and was also very pleased to welcome Isleham High Street Church congregants to Westminster back in May. If you would like to arrange a tour of the House of Commons for yourself or a group you belong to, please do send me an email. I am always happy to arrange this and wherever possible I will try to be around to say hello and answer any questions you have.

I am extremely grateful for your ongoing support and will continue to work hard on behalf of all my constituents in the coming year.

If you have anything you wish to raise with me personally or would like to be added to my email newsletter distribution list please email me at lucy.frazer.mp@parliament.uk. To keep up with everything I'm doing on a more frequent basis, you can also follow me on Facebook <https://www.facebook.com/FrazerLucy/> or visit my web page www.lucyfrazer.org.uk

Wishing you a very merry Christmas and a happy new year. Lucy Frazer MP

1st Isleham Beavers, Cubs & Scouts

1st Isleham beavers, cubs and scouts are off to a great start this year. We have seen three children move up to Cubs from Beavers and taken on two new Beavers. Beavers have had a successful Spy camp over in Fordham.

We have seen a rise in our young leaders' numbers offering us more support within the sections. However we are on the look out for anyone who would like to come on board as an assistant leader with our cub section. They are a very active section doing many fun and exciting things. We are looking for someone with a passion to share with the youth of today and to be instrumental in the shaping of the adults they will become. This can come in the shape of teaching them new games (maybe even ones we played ourselves as youngsters) willing to committing to helping out at least twice a month at our weekly meetings on a Tuesday evening 6.30-8pm. If this could be you then please contact me at gsl@isleham-scouts.org.uk

Thank you so much to everyone who helped in any way with the Operation Christmas Child 2018 Campaign. We are delighted that you enabled us to send 1907 shoe boxes in 190 cartons from the CB6, 7 and 8 postcode areas. A total of 15,076 boxes in 1612 cartons were exported to Liberia and the Middle East from West Anglia Region (of which we are a part). Our boxes were kept "as a whole" for the second export to the Middle East. You can be sure they will have brought joy to the hearts of very needy and traumatised children, showing them there is a God who loves them.

High Street Church

About 400 of us met at the Ark on Christmas morning to celebrate the birth of Jesus, Saviour of the world. It was a wonderful opportunity to be together to sing and praise and give thanks, even though we could see our breath!

Until the new Church is ready for us to move into, we will continue to meet at High Street Church each Sunday at 10.30am and 6.30pm and at various times throughout the week. You are most welcome to join us, do ring our Office on 780985 for more details.

During the week there are things for all ages....

Acorns is a group for toddlers and ballet for babies is what it says on the tin!

Lunch Club is for anyone who's available on the second Wednesday of the month, and is a good opportunity to chat with other Isleham residents while we enjoy a meal together. The cost of the meal is £3 but your first visit is free, what's not to like!?

Piecemakers is a ladies quilting group which meets once a month on a Friday. It's a very popular group but there's always room for more.

This is just a taste of events available....and there's more!

So Christmas has been and gone, New Year festivities seem light years ago. What's next? Happy Valentine's Day! Hope you feel loved by your nearest and dearest ...the wonderful thing is that the Bible says we are all loved. Young and old, big and small, black and white whoever you are, loved by God. If we can be of help to you in any way, contact us via the Office 780985.

The Beeches Entertainers return with this year's panto..... Oh yes they do

The Beeches Entertainers have started rehearsals for this year's Pantomime, to be held at the Beeches on Friday 29th and Saturday 30th March.

Following on from their hugely successful exclusive production in March 2018, the team return with a family favourite this year with Sally Gander's adaptation of Hansel & Gretel.

A spokesperson for the group said "We are delighted to bring a traditional pantomime to The Beeches and Isleham this year. Everyone will know the story of Hansel & Gretel, but we'll be adding our own special touches as we always do."

"Audiences will be encouraged to join in, with a children's fancy dress competition at all the shows, and of course there will be the usual audience participation (oh yes there will!) as well as sing-a-long songs for everyone to enjoy. We are looking forward to seeing everyone come along and support their local drama group and enjoy what is set to be a great show."

There will be three performances over two days, including a Saturday matinee and, if last year's sell-out shows are anything to go by, the tickets will be snapped up quickly when they go on sale later this month.

The Beeches Entertainers will be selling tickets for Hansel & Gretel at the Beeches Farmers' Markets on Saturday 16th February and Saturday 16th March (both days between 10am-12noon), or you can contact the team directly on 07510 173412. Other ticket sale dates will be announced on:

The Beeches Entertainers Facebook (@BeechesEntertainers) Twitter(@BeechesEnts) .

The Beeches Entertainers present Hansel & Gretel at The Beeches, Isleham on
Friday 29th March @ 7.30pm,
and Saturday 30th March @ 2pm (matinee) and 7pm (evening).
Tickets cost £7 for adults and £3 for children aged 3-16.
